Recommended Intake			
Cattle	75-250g/h/d	Sheep & Goats	20-50g/h/d

Dickson Ag's Mineral Molasses block is a weatherproof block that can be found all year round.

It is a mineral and trace element block that is suitable for all sheep, cattle and goats.

Our Mineral block is designed to correct any pasture deficiencies that your stock may be facing whilst grazing.

DIRECTIONS FOR USE: Place out sufficient blocks so stock have ready access to blocks. Ensure adequate roughage is available.
